The San Pedro Valley Observatory

The San Pedro Valley Observatory is a unique education, astronomy and astrophotography center located East of Tucson, just outside of sunny Benson, Arizona and less than 2 miles South of I-10 at Exit 306. Originally the Vega-Bray Observatory and Astronomer's Inn, The San Pedro Valley Observatory has been recently updated with the latest in astrophotography and astronomical equipment.

Our goal at The San Pedro Valley Observatory is to provide high quality astronomical experiences and services at reasonable prices. We provide a unique mix of entertainment and education that appeal to families and amateur astronomers regardless of their knowledge level or experience. Each guest party of up to four people is hosted by one of our staff astronomers, ensuring plenty of individual attention and lots of time on the telescopes.
